

# IPv4 Classful Addressing

Jonathan Windle

University of East Anglia

*J.Windle@uea.ac.uk*

June 6, 2017

# Overview I

- No longer used because:
  - Class A: is too large for almost any organisation.
  - Class B: is also too large for most organisations.
  - Class C: Is too small for most organisations
  - Class D: Was over estimated
  - Class E: Has hardly been used.

# The End
